

June 2025 NEWSLETTER

Administrative Team Message

Welcome to June! Where has the school year gone? As we head into the last weeks of school, it's a good time to remember all we have accomplished and all the things we will continue to accomplish in the upcoming weeks.

Our Primary and Junior EQAO assessments are complete. All grade 3 and 6 students did a great job applying their learning and using the skills they have been practising. Results will be shared in the fall.

Field trip season is in full swing, we have classes going on a variety of exciting excursions, from Clovermead to the Toronto Zoo to Niagara Falls and many other places in between. Please ensure you are returning forms and submitting payments as necessary to meet our timelines.

With upcoming field trips and sunny, beautiful weather, please ensure your students are prepared for their time spent outside. Please ensure students are bringing water bottles, sunscreen, and hats for recess times and field trips.

It's hard to believe we are talking about wrapping up the 2024/2025 school year. We wish you all a safe, happy and enjoyable summer.

Let's finish the year strong and make it unforgettable!

Ms. Holborn & Mrs. Ivins
