Home & School School Council

Welcome back Captains! What a start to the year! We want to say a **HUGE** thank you to all of the families of Kettle Creek for coming out to our Meet the Families night. The weather was gorgeous and the display from our community was spectacular! It was so great to see all of the proud faces, showing off their home away from home. That goes for all of our students, teachers and especially Mrs. W-C, who knew every child's name!
